RE: Change of Address, Affecting MM 95-31

Dear Commissioners and Commission Staff,

My name is Don Schellhardt, Esquire. I am the attorney for THE AMHERST ALLIANCE, which has been a signatory to April 15, 2002 Joint Written Comments in FCC Docket No. MM 95-31.

Aside from the referenced Joint Written Comments in MM 95-31, Amherst has joined the same parties in filing April 2002 Petitions, seeking: (a) phased-in, *comprehensive* spectrum re-allocation, to correct the current over-representation of megacorporations and NPR; and (b) full testing and evaluation of Eureka-147 Digitalization technology, *before* any decision on whether to implement In Band On Channel (IBOC) Digitalization.

Please note that I have recently moved from Denver, Colorado to Golden, Colorado, about 15 miles to the west. The new contact information for me is as follows:

Don Schellhardt, Esquire

My new phone service has not yet been activated, but I will apprise the Commission of the new phone number once I know it myself. In the meantime, messages can be left with Jeff, the Manager of my apartment building, at (303) 279-9430.

Sincerely,

Don Schellhardt, Esquire
